Butler Learning Studio Baseline Student Survey

This spring, Butler is piloting two Learning Studio classrooms. As part of a study to determine the impact of the Learning Studios on teaching and learning, we are asking students in each course using these rooms to complete the following survey at the beginning of the course. **Please respond to this survey regarding your experiences in a typical classroom.**

1. Age: (circle one) Under 18 18-24 25-39 40+

2. Year of birth: _____

3. Student status: (circle one) Full Time Part Time

4. How many college semesters have you completed? _____

5. Did you take a class in a Learning Studio classroom during the Fall 2008 semester? Yes No

6. Please rank the following items 1-4, with 1 being your most preferred way of learning and 4 being your least preferred way of learning.

___ Lecturing

___ Small group work

___ Class discussion

___ Demonstration

In your experience, how frequently are the following learning activities used in a classroom? Please check the box that applies to each activity.

	Never	Rarely	Sometimes	Frequently	Always
7. Lecturing					
8. Small group work					
9. Class discussion					
10. Demonstration					

11. Do you have a laptop? (circle one) Yes No

12. If yes, do you use it in class? (circle one) Yes No

13. Is class material captured and made available to you for future access, by e-mail or on a website? (circle one)

Never Rarely Sometimes Frequently Always

For the sets of questions below, please check the box that corresponds to your agreement with the following statements. **Remember, this survey is regarding your previous experiences in a classroom setting, and not the room in which you are currently sitting.**

Assessment of Classroom Design	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
14. A typical classroom supports my ability to learn effectively.						
15. A typical classroom reflects my college's commitment to my success in learning.						
16. Typical classroom space effectively supports faculty teaching.						

In a typical classroom, I am satisfied with...	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
17. Amount of work surface						
18. The comfort of my seating						
19. Ease of seeing the written materials on the whiteboard						
20. Ease of seeing materials on the projection screen (for PowerPoint, video, etc.)						
21. Acoustics in the room						
22. Quality of the lighting						
23. Ease of clearly understanding instructor's spoken words						
24. Quality/reliability of wireless Internet connection						
25. Space for laptops						

Flexibility of space	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
26. A typical classroom is flexible enough to support group work of various sizes.						
27. The furniture is easy to reconfigure.						
28. The layout of the typical classroom makes it easy to see my fellow students in the room.						
29. Technology in the typical classroom can be easily reconfigured for various learning needs.						
30. I often move or adjust furniture to support the way I like to learn.						
31. I am encouraged to move things around to enhance my learning.						

Collaboration/Communication	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
32. In the typical classroom, I am comfortable asking questions and contributing to the class discussion.						
33. The typical classroom is effective for group work.						
34. The typical classroom helps students effectively communicate with faculty during class time.						

Sense of Community	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
35. The typical classroom conveys the appropriate image of my school to students.						
36. The typical classroom makes me feel valued as a student.						

How often do you find the following limitations in adjusting or moving around the typical classroom to meet your needs? Please check the box that applies to each factor.

	Never	Rarely	Sometimes	Frequently	Always
37. Amount of time it takes					
38. Needing to get permission					
39. Conflict with other classes' needs					
40. Ease with which things move					
41. Availability of electrical outlets					
42. Size of room					

How often have you adjusted or moved the following items in the typical classroom? Please check the box that applies to each item.

	Never	Rarely	Sometimes	Frequently	Always
43. Seating					
44. Table					
45. Whiteboards					
46. Lighting					
47. Technology location					

How often are the following items used in the typical classroom to facilitate your learning? Please check the box that applies to each item.

	Never	Rarely	Sometimes	Frequently	Always
49. Projector/Digital Display					
50. Overhead projectors					
51. Whiteboard/Blackboard					
52. Paper handouts					
53. Document Camera					
54. Interactive Whiteboard					
55. Video/DVD					
56. Webcasting
